THE NEWSLETTER FROM HAMPTON LUCY,
CHARLECOTE AND LOXLEY PARISHES

June 2011

Charlecote Flies The Flag!

You only have to mention a party at Charlecote and.....!

Residents of Charlecote celebrated the Royal Wedding on Friday, 29 April, in grand style with a champagne toast to the newly-wed couple followed by a traditional Afternoon Tea in the Village Hall. The hall was suitably decorated with a profusion of Union Jacks, bunting and balloons, and everybody was presented with a specially commissioned commemorative mug to mark the occasion. Roll on the Diamond Jubilee next year! HH

Funeral of James Cooper

On Thursday, 5 May, the church of St Peter ad Vincula, Hampton Lucy, was packed to overflowing for the funeral of James Cooper. James, who was only 25 years old, had been on holiday in Florida with his parents and a university friend when he and his friend were tragically shot and killed in a suburb of Sarasota. James was a tennis coach and the mourners included his family and many of his friends and colleagues. The funeral service was conducted by the Rev'd David Jessett. Many tributes to James were presented, including a most moving one by James's father. KC

'Rolling Thunder!'

The Wellesbourne 'Wings and Wheels' will take place on the airfield on Sunday 26 June, 2011. The gates will open at 10.00am, parking is free, and admission for adults is £5, with under 14's admitted free of charge. Please use the Market entrance. The slow-speed taxi of the Vulcan will commence at 11.30am with a high-speed run at 2.00pm, (subject to serviceability). Pilots and owners of historic or rare aircraft are invited to be part of the static display, which will be set up near to the spectators but behind a barrier. Landing fees for these aircraft will be waived. Owners of classic cars who may like to show them off can also book a space in the display area. More details at: <http://www.xm655.com> FS

Hampton Lucy School's Royal Celebration

Hampton Lucy School also made a big day of William and Kate's wedding with a 'street party' in the playground on Thursday, April 28. Everyone was encouraged to get into a patriotic party mood by dressing in red, white and blue and also to contribute a plateful of cakes, buns or sandwiches to add to the fun. In the days leading up to the Royal Wedding, school activities were linked to the occasion as part of the school's creative curriculum. This included making hats or crowns and designing a dress to re-enact a Royal Wedding. Coins were designed, commemorative plates were made, and the pupils designed and made invitations and planned their own street party. All in all, everyone at Hampton Lucy School had two days of great fun, culminating in a holiday for the grand occasion of the Royal Wedding. MJH

Spot the princess! exit right?

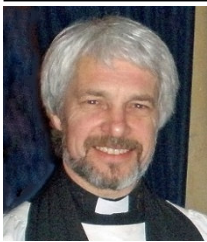

Tree Wardens Visit Hampton Lucy Spinney

On Saturday, 30 April, we had a visit from some of the Stratford District tree wardens, who were shown around the water mill by John Bedington and then taken to the Stratford Road spinney, which was planted in December 2005. They also inspected the three fruit trees recently planted in the playing field. The trees were given to the village by Stratford District Council through the Tree Warden scheme. Do visit the spinney yourself, bearing in mind that it's meant to be a nature reserve and not a garden. The entrance is almost opposite the back gate of the playing field, but if you take your dog, please don't leave the evidence on the path. ASc

Dear Friends,

As I sit here and write, the exam season is just getting started. The children in their last year at Hampton Lucy and Loxley Schools are taking their SATs exams. Elsewhere GCSEs have started, with AS levels beginning next week and, by the time you read this at the beginning of June, A levels will be in progress too. What a mind-boggling number of exams across the country and a mind-boggling number of children and young people sitting them.

I was with my youngest daughter the other evening as she did some revision for an imminent History GCSE. The revision involved looking at a card with a date on it; 28 June, 1914 for example. The key event that happened on that day was written on the back of the card. She then recalled the details, turned the card over and checked that she had remembered correctly. As it happens, 28 June, 1914 is one of the easiest dates to remember. It was the day when the Austrian Archduke, Franz Ferdinand, was shot and killed in Sarajevo. There was, however, a stack of these cards with the dates and details of the complex

series of declarations of war and invasions at the outbreak of World War I.

Whilst it is very important to learn about these events, I'm astonished at the sheer volume of information that has to be absorbed, and then shaped into intelligent responses to given questions on the day of the exam. I'm sure I must have had to memorise swathes of information when I was younger but now can just look on with awe and sympathy!

Some students will be nerve-wracked, others will thrive on the challenge. Some will come out with multiple A* grades while others will not. Most will be somewhere in between on both counts.

It can become all-consuming but there is a quiet constant running through all this exam fever; the unchanging, unconditional love of God for each child and young person and a constant and secure resting place through the highs and lows, the processes and the outcomes.

Every blessing,

Cathy.

News from the Parishes

A complete list of church services, including those at Barford, Wasperton and Sherbourne, is displayed on the notice board in your church.

The Three Parishes Prayer group

The group will meet at the home of Janet and Duncan Fairfax-Lucy, by their kind invitation, on Thursday, 16 June, at 7.45pm.

St Peter's Church, Hampton Lucy

Dates for your diaries: Saturday, 11 June, **Churchyard Tidy-up** (10.00am to 12 noon). 13 August, **Summer Garden Tea with stalls** (instead of the usual 'last weekend in June' event). 10 September, **Cider Sizzler with Talent Show.** **SB**

Hampton Lucy Parish Council and Annual Parish Meeting

The Parish Council met on Wednesday, 11 May, in the Village Hall. Phil Ward gave a presentation on the results of the Housing Needs Survey, which will now be considered by the Council. The principal items raised included the Annual Accounts, which were approved and signed, the significantly reduced street-lighting costs and the rejection of the planning application for the Gypsy Site at Blackhill. The next Parish Council meeting will be held on Wednesday, 6 July. The Annual Parish Meeting was opened and Chairman Sue Main gave her annual report. Jo Hassall, of The Heart Rhythm Charity, gave a presentation on Automatic External Defibrillators. The meeting was in favour of pursuing the idea but fund-raising will need to be initiated. The 'Ian Wilmot Fund' is to be further promoted via 'The Grapevine'. Councillor Jeremy Whyman was delegated to generate ideas for the Queen's Diamond Jubilee celebrations in 2012. **AJW**

Polish up the silver gilt - its that time of year again!

The Hampton Lucy Village Hall Committee is holding the ever-popular Annual Jazz Picnic in the Parish Field on Friday, 1 July. Music will begin at 7.30pm and the gate will be open from 6.45pm so that you can set up your candelabras in good time. The tickets are £7.50 per adult, family ticket £16 for 2 adults and 2 children and £1 per extra child. There will be a raffle during the evening. We guarantee our luck will hold again with the weather, and look forward to seeing you there! **DR**

Don't forget the 'Sir Ian Wilmot Science Fund'

Following a visit three years ago to Hampton Lucy, where he was born during the war, Sir Ian kindly donated two hundred pounds to the Parish. The Parish Council agreed that it would be set aside as a source of funds for schoolchildren living in Hampton Lucy for specific science-based visits, projects, books or equipment. Although it was advertised when it was set up some time ago, it has not yet been taken up. If children living in Hampton Lucy would like to apply for small sums to support their scientific interests they need to write in person, (not parents please!), to Mike Woodman, Hampton Lucy Parish Clerk, at 5, Hithersand, Hampton Lucy, CV35 8BW. As a starter, why not come along to this Science Show starring Dr Bunhead as "Volcano Head". The production has been generously sponsored so we have been able to keep the cost of admission down to a minimum. It is a great way to see living science in action. You will love it. **JD**

Valefresco Farm Open Day

Valefresco will once again be opening up to the public on Sunday, 12 June, for National Open Farm Day. They will be pleased to welcome all local residents, families and friends, who are invited to look around the farm, one of the major salad crop producers in the country. There will be tractor and trailer rides, tours of the farm and buildings, plus demonstrations of some of the sophisticated machinery used in farming these days, weather permitting. The gates open at 2.00pm and visitors should head for the complex of buildings at the end of the main drive. Those with cars will use the main entrance on Stratford Road, whilst the hardy walkers from Hampton Lucy village can use the footpath to Old Pastures Farm next to the George V Playing Field. It is a fascinating place to visit and should be great fun for all of the family. *(Editor's note: Valefresco are generous supporters of village events, such as the Annual Plant Sale and the Cider Sizzler)* **AJW**

Hampton Lucy 'Plant and Produce Sale'

Three generations of the Gardner family amongst the plants

The annual Plant Sale at Hampton Lucy on 14 May was once again blessed by fine weather and enjoyed great support from everyone. "Thank you" to all those who helped to make it such a success. Full report in July. **AJW**

Wellesbourne & District Lions Club

Our Easter Egg Fund raised over £550, which will be used to support Lions Club charities.

The dozen Easter eggs proved to be a great success and the Lions would like to thank the supporters who participated and the willing hosts in pubs, shops and offices for their very generous support. We are hoping that our 'Golden Goose' will be able to lay even more eggs in time for next Easter! The sale of raffle tickets at Wellesbourne Co-Op over the weekend of the 8-10 April raised over £250 for the 'Friendship Project', set up by John Hancock, retired Head Teacher of Campion School, Leamington. The charity supports disadvantaged young people by providing them with a buddy or 'Older Friend'. The Lions were especially keen to help a local youngster. Don't forget the biggest event in the Wellesbourne Lions calendar, the raft race from Wasperton to Stratford on Sunday, 19 June. The event is run in partnership with Shakespeare Lions of Stratford-upon-Avon. Anybody still interested in entering a raft for this year's race should contact Peter Fisher on 01789 842031. A Melvin Jones Fellowship Award has been presented to Lion Max Down for exceptional service to his local community. I am sure you will agree that this is richly deserved.

AS

Charlecote Park News

After a lot of work, Charlecote House has now lost its scaffolding and sheeting. By June it should be fully weatherproof with the stonework repaired, and be ready to greet the summer visitors. On 12 June there will be another 'Falconry Day'. The 'Walk with the Gardener' at 2.00pm on 25 June is free and needs no advance booking. An Alvis Car Rally will be held in the grounds on 19 June, between 11.00am and 3.00pm. There will be a 'Bat Walk' on 25 June, 9.30 pm, booking needed, £5.00per person. Heartbreak Productions return this summer, so why not book for 'Pinocchio' on 18 June (5.30pm), 'Taming of the Shrew', 9 July (7.30pm) or 'Pride and Prejudice', 13 August (7.30pm). The BBC Antiques Roadshow, recorded at Charlecote Park, will now not be shown until Spring 2012. They are putting together a 'Shakespeare Season' as part of the Cultural Olympiad and, with the Charlecote connections, the BBC intend to use the programme as part of that series. The second-hand bookshop has been doing so well that stocks are now running low. If you have any books to donate, please leave them at the reception in the car park. www.nationaltrust.org.uk/charlecotepark

SF

Hampton Lucy and Charlecote WI

The topic at the May meeting was "Resolutions". Two resolutions were presented by our President, Jeryl Stone; the first was "...to maintain local libraries" and the second "...against factory farming." Both were discussed and passed unanimously. The lucky member to win the Denman Bursary was Jean Young, with Sue Bresnan as reserve. This award is a £200 contribution to the cost of a two-day residential course of choice at the WI Denman College. The next meeting on Wednesday, 1 June, will be Members' Night. This year it will feature a talk on St Peter ad Vincula Church, Hampton Lucy, presented in the church by Peter Bolton. Members should meet at the Village Hall at 7.30pm, from where we shall make our way together to the church for the talk, returning to the hall afterwards for the business meeting and refreshments, as usual. Anyone considering taking up membership and who may be interested in coming along will be most welcome.

MJW

Loxley WI

The Loxley WI held a social evening at the April meeting, when, due to family ill health, Anne Morgan was unable to give a talk on her career as a 'Bluebell Girl'. The joint meeting with the Wellesbourne, Newbould Pacey, Ashorne and Loxley WI groups on 12 May at Ashorne Village Hall was to discuss 'Resolutions', the topics for this year being 'Library Closures' and 'Methods used in Factory Farming'. Loxley WI would like to thank Mrs Janet Clough, Head Teacher at Loxley School, for inviting the group to use the school premises for their meetings.

LL

Loxley WI
