THE NEWSLETTER FROM HAMPTON LUCY, CHARLECOTE
AND LOXLEY PARISHES

Issue No: 152

September 2013

Loxley Church, Nestling in Rural Warwickshire

Photograph: Jeremy Whyman

The major work necessary to restore St. Nicholas' church to its former glory has now been completed. A special service of dedication will be held at 3.30pm on Sunday, 6 October, when it is hoped that all who contributed to the appeal fund will attend and inspect the repairs which their donations have made possible. These include stripping and replacing tiling to the nave and chapel roofs, together with new rafters and purlins. On the tower roof we have replaced copings and some of the lead flashing plus timber repairs. Inside the tower there is a new bell-chamber floor and access and lighting have been improved. Unfortunately, in the course of these improvements more, but less severe, problems were found on the south side, but more of these in due course. Most villagers seem to appreciate their unique heritage and they are invited to reinforce that interest at the dedication service.

TG

Carice Singers in Hampton Lucy

The Carice Singers, directed by George Parris, will perform a concert of music by English Romantic composers at St. Peter's Church, Hampton Lucy at 7.30pm on Saturday, 7 September. The group consists of choral scholars, many of whom are intending to pursue a professional career. Tickets at the door, £10, including refreshments, or ring 01789 740786. The choir will also be recording Peter Warlock's choral music for the record label 'Naxos' in the church during Sunday 8, Monday 9 and Tuesday 10 September. GP

Important Information for Charlecote

On Sunday, 15 September, there will be no service at Charlecote Church and the congregation are invited to join with friends at St Peter's, Hampton Lucy, for their regular "Come and Worship" service at 9.30am. And while we're in print, here is advance notice of the Charlecote Harvest Supper, which will be held on Saturday, 5 October. More details will be in the October Grapevine or you can contact Sue Johns, 840238, or Vanessa Lewis on 842552. SL

Fun and Games at Charlecote (*nothing new there then!*)

Following the huge popularity of the Jubilee Celebration Sports Day in Charlecote in 2012, it has been decided to hold a similar event this year on Saturday, 7 September, at 2.00pm in the Collins' field behind The Malt House. All ages are welcome and there will be fun and games for everyone, including races, rounders, tug o' war etc. Refreshments will be provided, but please bring a deckchair if you are a spectator! HH

All of us who are associated with *The Grapevine* were saddened by the recent death of Brian Hartley. As residents of Hampton Lucy for many years, Brian and Helen have been deeply involved in all aspects of life in the village and, in addition to their commitment to St Peter's, they took on responsibility for the sorting and distribution of *The Grapevine*, which they did conscientiously and with humour, even as his illness became more acute. Our thoughts and prayers are with Helen and her family. Brian was a true gentleman and will be missed by all who knew him. AJW

Dear Friends,

One of my first duties after coming here four years ago was to go and be introduced to the children at Loxley School. I sat at the front with David and the Head Teacher, Mrs Janet Clough and, after a warm introduction, suddenly realised I was expected to take the assembly. In my earlier training as a priest I had loved working in primary schools but had followed wise, unspoken advice: warm greeting, presentation or story, short prayer and sharp exit. The general aim was to avoid too much participation, mainly because the under-elevens are a highly exacting and unpredictable audience. Well, back to the moment of sheer panic, when thirty children sat staring expectantly in my direction. All I could think of was my dog, Harry. It was September. Some of the children were tiny, had just started school and might be finding it all quite strange. Harry had found it strange moving to Barford. New sights, sounds and smells, but bit by bit he was getting used to the new surroundings and finding totally new things he hadn't experienced before, like walking through the fields near the house and jumping in the river. They were listening and it seemed to be good; they liked Harry, they like dogs, ("God

spelt backwards," as Ali Speller always says). I then asked if any of the children had a dog. Thirty hands went up, all wanting to share at least a five minute story about their dog, or their grand-parent's dog, or their neighbour's dog, or their imaginary dog. It was pandemonium. We heard some elaborate stories and then I seem to remember being rescued by Mrs Clough.

That is how it has been at the schools in Barford and Hampton Lucy too, being shaken out of the comfort zone, diving in and having the huge privilege of meeting the children where they are, as they are, and learning from them, probably far more than the other way round. I think that could go for the six parishes too - Hampton Lucy, Charlecote, Loxley, Barford, Sherbourne and Wasperton. It has been an awesome privilege to move here, to dive in and be with you where you are, as you are, in daily life, and in the happiness and sadness of life, and to try to figure out where God is in it all.

Thank you for your welcome and for having us with you. Our love and prayers, now and in the future.

Cathy, Haydn, Helena & Lucy

News from the Parishes

A complete list of church services, including those at Barford, Wasperton and Sherbourne, is displayed on the notice board in your church.

Changes to the Pattern of Loxley Church Services

There will be some small but interesting changes to Loxley's pattern of services from September. On the second Sunday of each month, instead of our Evensong Service at 6.00pm, we shall have a Matins service at 11.00 am. Then on the fourth Sunday at 11.00am we will have a service of Holy Communion in contemporary language (*Common Worship*) with hymns. The traditional (*Book of Common Prayer*) Communion on the first Sunday and the Family Communion on the 3rd Sunday will continue as before. The pattern, from September therefore, will be as follows. 1st Sunday: 9.30am Holy Communion (*BCP*); 2nd Sunday: 11.00am Matins (*BCP*); 3rd Sunday: 11.00am Family Service; 4th Sunday: 11.00am Holy Communion (*CW*). We hope this will provide a good balance of types of service and invite and welcome all to come and join in.

Rev'd David Jessett – on behalf of the Church Council.

Meeting Place

A group offering lively and thought-provoking discussions of faith and life-related topics meets in Barford on Thursday mornings, 9.45am to 11.30 a.m. The theme for the autumn is 'Being a Christian in the World To-day', and will be based on discussion of a wide variety of topics including marriage, food banks, credit unions, women bishops, secularism and materialism. The next meeting is on Thursday, 5 September, and if you would like some more information, please contact Chris Farr, 01926 620117, e-mail: chris_alex_farr@btinternet.com Do come along - we don't bite!

AF

Kineton Food Bank

A collection point has been set up in the porch at St Peter's, Hampton Lucy, for donations to Kineton's Food Bank. Tinned food, dried goods, toiletries and consumables etc. are all needed urgently. Please be generous.

Wellesbourne & District Lions Club

It's nearly the end of the school holidays and the Lions have had an enjoyable summer season, taking part in many local summer fairs. The latest was Walton Fete and Dog Show, which took place on Sunday, 11 August in the beautiful grounds of Walton Hall. Unfortunately, we have had to cancel the rural show which was going to take place on Sunday, 1 September, at Wellesbourne Water Mill, due to circumstances beyond our control and would like to apologise to all those who were due to participate in the event or were just coming along to support us. I know I was really looking forward to the event. We are very pleased to announce that Mel Harvey has again agreed to perform and host another charity night of fun and magic. This year it will be held in Kinton Village Hall on Friday, 11 October at 7.30pm. There will be a supper provided and a licenced bar. For further information and tickets please contact Lion Charles Williams on 07590 387204. On the following weekend on the Saturday evening, 19 October, we shall be holding one of our popular Lion Racing evenings at Barford Village Hall. Please pencil this date in your diaries and I will publish more details about the event in next month's newsletter.

AS

Loxley WI

On Thursday, 11 July, we were greatly entertained by Ted Water's talk describing a wide range of wind instruments, ranging from the penny whistle to the bass clarinet. Describing his many years with the RSC, we were amazed by the demands made on the musicians' adaptability, changing from one instrument to another, often having to learn a new instrument at short notice and frequently appearing on stage in full costume but without music. Using quotations from the plays, beautifully rendered, he showed how integral music is to the theatre. Not only have productions inspired increasing amounts of incidental music and new settings of the songs, but also orchestral pieces and operas based on the plays. We were delighted to listen to recorded ensemble music and it was a most enjoyable evening. Our next meeting is on Thursday, 12 September, 7.30pm and Loxley school, when Simon Foster will talk about the restoration of paintings. Pictures may be taken along for discussion.

MCL

Hampton Lucy and Charlecote WI

Heather Alford, speaker for the July meeting, became a volunteer in Nepal after the death of her husband, some ten years ago. Heather joined the Leprosy Mission, based in Kathmandu which nestles in the shadow of the Himalayas. Their vision is 'a world without leprosy'. Leprosy is a bacterial infection which attacks nerve tissue and causes paralysis of the muscles of the face, hands and feet. It is now curable with multi-drug therapy (MDT) and, over numerous visits, Heather could see an improvement in the condition of the patients although it can take years for the victim to be completely rid of the disease. A selection of crafts made by these disabled people was available at the meeting. The next meeting in Hampton Lucy Village Hall on Wednesday, 4 September, at 7.30pm, will be open to non-members at £5 pp, including a ploughman's supper, with entertainment by Ginny Davis of Edinburgh Fringe fame.

KCI

A note from our President:

We are supporting the National Federation of Women's Institutes' campaign for the provision of more midwives. The 'More Midwives Campaign' is underpinned by research, using evidence gathered from the experiences of women who have recently used maternity services. It appears that midwives are over-stretched and mothers don't always receive the support that they need. Our WI would like to hear from anyone who has recently experienced assistance from the local midwifery service. If you are happy to share your details with us, in confidence, then please call me on 01789 841280.

Helen Sill, President of Hampton Lucy and Charlecote WI

Charlecote Park News

Charlecote Park is always busy in August, and this year a record number of children enjoyed the five week programme of the Children's Club, with activities varying from mask making to falconry and shepherding ducks. For grown-ups the focus this autumn is on deer. This starts with "Deer hunting in the house", a tour on 4 September looking behind the scenes, through paintings and artefacts, at the significance of deer on the estate. The 'Unmaking of the deer', 12 September, will look at the hey-day of the deer park, deer as a status symbol and food source, and how deer would have been skinned and butchered. A butchery demonstration will follow. 'Discovering deer', on 19 September, will look at the history of deer and how the present herd is managed. On 3 October you can join the Ranger on a walking tour and see 'Deer at dusk'. All of these events

are pre-bookable and extra charges will apply. Heartbreak Productions presented 'Dracula' in the middle of July. Their productions are always a highlight of the season, and maybe even the bats enjoyed this one! You could ask them whilst enjoying a special (pre-booked) 'Bat Walk' through the park on 31 August. For further information please see the website www.nationaltrust.org.uk/charlecote or call Charlecote Park on 01789 470277.

SF

The next *Grapevine* will be the October edition and the copy deadline will be **Tuesday, 10 September**. It will be published on the village websites by 17 September, with printed copies delivered some time after 24 September.

AJW

Editor's note: Apologies to our sister villages. It's not the editorial policy of *Grapevine* to publish correspondence and I am uneasy about including this dialogue. However, the Charles Church planning application in Hampton Lucy has raised a lively discussion and I hope that Loxley and Charlecote readers will sympathise with the Editor's dilemma. **AJW**

Hampton Lucy Housing Action Group Report

The property developer Charles Church is proposing to build a large number of new homes in Hampton Lucy on land off Stratford Road presently owned by Miss Creak. The 'Housing Action Group' has been set up in the village to oppose the proposal and to work with the Parish Council to ensure that any new housing developments in the village are proportionate to the size of the village and have minimum impact on existing residents. Stratford District Council (SDC) has approved a 'Core Strategy' for future housing developments. This strategy is now out for consultation before final sign-off and submission to the government for approval, likely to be in the autumn. One of the key parts of the strategy is the concept of 'Local Service Villages', (LSV), which aims to disperse some new developments into villages in the district, rather than concentrating them within existing major settlements. Each village has been rated according to their size and facilities, and the rating will determine the number of new homes permitted to be built over the next fifteen years. Hampton Lucy has been rated in the lowest category and would be expected to take between ten and twenty-five new homes over the planning period. The SDC proposals envisage a series of small developments spread around the village and built over a period of time, not all in one large site. Charles Church has sent plans to the Parish Council of the housing that it is proposing to build in the village. Their revised proposals are for a single development of twenty-eight properties comprising a mix of five, four, three and two bedroom houses, plus three and two bedroom bungalows. The latter bungalows are classed as 'affordable'. The planning application for this development was submitted to SDC by Charles Church on 1 August. These plans do not meet the requirements of the SDC Core Strategy in a number of aspects, with twenty-eight dwellings proposed against the maximum of twenty-five under the LSV proposals, the development will not be phased over a number of years and the properties will not be spread around the village. The Housing Action Group is committed to working with the Parish Council and the SDC ward Councillor to get the application rejected by Stratford District Council.

CS - Hampton Lucy Housing Action Group

A Letter from the Chairman of Hampton Lucy Parish Council

The overwhelming feedback from the short questionnaire sent out by the Hampton Lucy Housing Action Group was: "No development!" However, even though we may want to, we will not be able to just say "no". The following is an extract from an e-mail sent to the Parish Clerk from SDC in response to the Parish Council's letter of 22 May. "*The Core Strategy was agreed by Cabinet on 15th July. The assessment by SDC places Hampton Lucy in the lowest LSV category suggesting Hampton Lucy should accommodate between 10 and 25 additional dwellings over the remaining fifteen years of the plan, up to 2028*". The document goes on to say that ".....SDC's preference is that development should be phased and ideally come forward on several small sites rather than via one large one..... Assuming the policy is adopted, SDC is reasonably confident that they can control the scale and pace of development in a manner that would be more in tune with our aspirations for the village. However, in the short term, I regret we remain susceptible to the development industry continuing to promote more intrusive developments and will seek to justify them on the basis of the Council's current position regarding housing and land supply." SDC does not have a five year land supply, and this overcomes virtually all objections. The preference for several small sites is encouraging, but we do not have any deliverable sites available. The key word is deliverable, and unfortunately the land currently of interest to Charles Church is available and deliverable. Hampton Lucy Action Group and the Parish Council are trying to identify small sites that would have the minimum adverse impact on the village and are deliverable, whilst fulfilling the 'quota' defined in the Core Strategy. We are in a very difficult position with little to fight with and need to work together as a community to get the best for Hampton Lucy. Please send us your constructive ideas and comments; maybe even suggestions for suitable alternative sites! **Sue Main - Chair-HL Parish Council, Chair-HLPC Housing Action Group**

Alan Scaife responds....

Sue Main says that we cannot just say no. That is what she told us in the village hall on May 15th, but John Dunkerton asked "why not?" and at least 91% of those present signed a questionnaire to say that they rejected the Charles Church scheme and did not wish to compromise. This was confirmed by the Action Group's own survey of the whole parish, mentioned by Sue above. The parish council should be guided by that. SDC's new strategy would not allow the Charles Church scheme, and they make it clear that Charles Church are trying to get in quickly before the new strategy is officially adopted. Sue appears to be on the side of Charles Church rather than SDC by pointing out that we have the land to offer (or at least Miss Creak does). What do we have to lose by saying NO? The developers have already improved their scheme under pressure, and cannot revert to the previous one. **ASc**
