## Loxley C of E Primary School Remembers - Armistice Day, 2013

On Monday, 11 November at 11am, following the Loxley tradition, the children and staff of Loxley School walked down to the War Memorial for a short Service of Remembrance conducted by Rev'd David Jessett. Despite the cold and wet weather, the children sang the hymn 'Shalom' beautifully and stood for two minutes in silent respect for those who fell in the two world wars, the names of the men of Loxley who gave their lives in the conflicts having been read out by the vicar. With the reading of the simple but emotive Kohima Epitaph it was, as always, a moving occasion and a great credit to the children, their teachers and the school.

## The Battle of John Lucy Bridge - 2013

On a bright Sunday morning a small but perfectly formed quartet of volunteers set about cleaning the street and road signs in Hampton Lucy, removing the grime from the old 'phone booth, and sprucing up the cast iron railings on the lovely old bridge. Without 'day-glo' jackets, road cones or lights, the team braved the traffic, but caused some minor delays by chatting with drivers as they slowed to pass. Many thanks to James Pinkerton, John Pepperell, and Alan Scaife for their invaluable help. Maybe next Spring we can do the same, but with a few more helpers?

Dear Friends,

I am writing this a few days after Remembrance Sunday and thoughts of that are still in my mind. If you heard me preach on that day, some of what follows may sound vaguely familiar. With this edition covering both December and January, I want to wish you both a joyful Christmas and a peaceful New Year. This made me think about the close link between joy and peace. Without peace, joy is almost impossible to achieve; whether we are talking about peace as an absence of conflict, or peace as an inner state of mind. As we reflected on the horror and the 'waste' of war last Sunday, we prayed for peace. But what are we now going to do to bring in that peace?

Mahatma Gandhi once said:

*"Peace is not something that you wish for.  
It is something that you make, something that you do,  
something that you are, something that you give away."*

He realised that it begins with ordinary people like us. It begins as we start to 'hammer our swords into ploughshares'. Our 'swords' are all those bits of ourselves that have the potential to lead to conflict or hurt, or to damage peace and harmony, for us and those around us. They are our attitudes, our hasty judgements, our prejudices, our over-reactions to hurts or slights.

We need to offer them to God and say "Lord God, re-make them – transform them – hammer them into something useful and positive." Peace-making doesn't bring in the 'Kingdom of God' just like that, but it can only begin with people; people like us. Because when we start striving for peace within ourselves, we start to get in tune with God's way of seeing the world. And, if we draw upon God's grace, even if things around us are not peaceful, we can start to find inner peace.

And as we live out that inner peace, so we find it spreads. It begins to have an impact upon other people. And that bit of the world that we live in begins to blossom. Divisions begin to disappear, and a little bit of the world becomes more peaceful.

It's not always easy. But neither is it magic or luck. It begins with us. Can we create a greater peace in our six villages over these next two months?

With best wishes for a joyful Christmas and a peaceful New Year!

David Jessett

*A complete list of church services, including those at Barford, Wasperton and Sherbourne, is displayed on the notice board in your church.*

### Cathedral Liaison Officer's Report

The date chosen for the autumn meeting coincided with the "Heritage Open" weekend, and thus resulted in a poor attendance. Mr Miles Gibbons, great grandson of Sir Basil Spence, is making a new thurible, or censer, from carbon fibre racing car components. It will be used at services in the cathedral. At the end of the 2013 tourism season, visitor numbers were down from 32,000 to 27,000. However, group tours and travel trade business have both increased. A new joint marketing project is being undertaken with the Herbert Art Gallery and the Coventry Transport Museum. The average retail spend per visitor is £2.09. Major capital projects under consideration include cleaning and rehanging tapestry, organ cleaning and refurbishment (£400,000) and drainage repairs and overhaul (£29,000).

## Loxley Bonfire a Roaring Success!!

The Friends of Loxley School provided a Bonfire and Fireworks Night for the local community on Saturday, 9 November. It was held at the rear of Loxley Hall, by kind permission of Mr Gregory-Hood and his family. Everyone enjoyed an outstanding firework display and warming refreshments, including a hog roast. This year, the fire was constructed to resemble a pyramid, to dramatic effect when the flames took hold, as you can see from the picture! We are already working on ideas for next year's masterpiece! Thanks to everyone's generosity we shall be able to make a significant contribution to school funds, in the region of £1800; more than any previous year. "Thank you" to all who came along to support us, and special thanks go to everyone who

contributed to the arrangements and helped to put on such a successful event.

## Loxley C of E Primary School

We had a lovely display of pumpkins for our annual Pumpkin Competition. Nigel, the village postman, was our head judge. The children used their imagination to create some delightful creations. The pumpkins then lit up the night sky at the Loxley Bonfire Night celebrations. The children are now busy rehearsing 'The Peace Child' for the Nativity, which will be presented in Loxley Church at 2pm on Tuesday 17 and Wednesday, 18 December.

### Made in Charlecote 2013

This popular and well-established annual event was held on Saturday, 12 October, when Charlecote Village Hall was filled with home-made goodies, home-grown fruit and vegetables, and craft items - all of which sold like hot cakes! The National Trust kindly loaned us their apple press, which was hugely popular (and hard work!) The amazing sum of nearly £700 was raised, all of which goes towards the running of our beloved village hall.

### Loxley Head Teacher Retires

At the end of term we say goodbye to Janet Clough, who has been Head Teacher at Loxley C of E Primary School for the past four years. We would like to thank her for the enthusiasm that she has brought to drive Loxley C of E School forward and wish her good luck in her retirement.

## Wellesbourne & District Lions Club

Just a few weeks to go to Christmas. I hope that you are well on the way with your preparations for the big day. From Monday, 2 December, through to Monday, 16 December, the Lions will be out and about between 6pm & 8pm with Santa and his sleigh and our annual Christmas charity collection. **Santa's flight plan: Thursday, 12 December - Hampton Lucy and Charlecote; Friday, 13 December - Loxley.** Every evening we will be supported by a different local charity which will receive a share of the money collected, so please give generously, as ever. I would like to report on three very successful events that the Lions have been involved with. The first was 'Mel's Magic Night' in Kineton on Friday, 11 October, when we raised £750 for Parkinson's and other Lions charities. The second was our 'Race Night' on Saturday, 19 October, in Barford which raised £1,250 for Leukaemia and other charities. The third was our annual event for the older folks in the area, which took place on Saturday, 9 November. Around 85 people were treated to an afternoon of entertainment at Kineton High School, featuring 'The Great Barlownie' and 'The Strumming Minstrel'. Tea, sandwiches, cakes and bingo were all on the menu. On behalf of all of the Lions and their partners I would like to wish everybody a very Merry Christmas and Happy New Year.

### Hampton Lucy and Charlecote WI

There was a good turnout of members for the AGM on Wednesday, 6 November, when President Helen Sill and the committee were all re-elected for 2014. After the business was completed, Kath Clarke presented a series of light-hearted quizzes, some of which harked back to the 1950s and involved identification of photographs of everyday objects, taken close-up from unusual angles. The December meeting will take place in Hampton Lucy Village Hall on Wednesday, 4 December, at 7.00pm, when there will be a 'Bring and Share' supper, with entertainment entitled 'Life can be funny in the 21<sup>st</sup> Century' presented by Colin King. Our first meeting in the New Year will be held a week later than usual, on Wednesday, 8 January, in Charlecote Village Hall and starting at 7.30pm, when Bernard Pumphrey will entertain us with 'Swing Music'.

KCI

### Loxley WI

On Thursday, 14 November, we held our AGM and our President and her committee were all returned to office for another year. An interesting programme of talks for the coming year was announced. Following the completion of the business, we heard a very interesting talk from Keith Wednesbury about his work with the Coventry and Warwickshire Broadcasting Service and the problems he encountered as a result of his dyslexia. Our next meeting will be a talk entitled "A Victorian Family's Christmas", with Mr and Mrs Ledbury, which will feature 'Festive Fayre'. It will take place at 7.30 in Loxley School on Thursday, 12 December. In the New Year, on Thursday, 9 January, we shall have our annual dinner at Houndshill. Contact the committee members for details.

### Winter Season at Charlecote Park

Christmas is always a special time at Charlecote, with the Great Hall decorated, seasonal music, and Christmas food being prepared in the Victorian kitchen. There will be special activities for children and, of course, Father Christmas will be in his grotto over the weekend from 7 to 22 December. Book a place and let the children bring their Christmas lists; the admission fee includes a small gift. If you would like to become more involved with what goes on at Charlecote Park, why not become a Volunteer? There is a wide range of jobs that you could help with, indoors and outdoors, in a variety of ways and at flexible times. To find out more, come to Charlecote House on Tuesday, 3 or Monday, 9 December, between 10am and 3pm. Call at the reception building in the car park for directions. There will also be further sessions on Saturday, 11 and Thursday, 23 January. Why not make it a New Year Resolution?

SF

### Carols at the Mill

On Saturday, 21 December, Karl Grevatt, the miller at Charlecote Mill, is inviting everyone in the local community to a 'Christmas Special'. Refreshments will be accompanied by the rumble of the mill as the water wheels power the old machinery. The choir of Saint Nicholas Church, Warwick, will then take over with carols and Christmas songs to get you into a festive mood. The mill will be open and be running from 3pm, the choir will perform from 4.30pm to 5pm, and the mill will close for the Christmas holidays at 6pm. Admission is free, but the choir will be taking a collection for their church and there will be a box for donations to Charlecote Mill. All donations will be very welcome and will help to keep this amazing and virtually unique building open and milling for future generations to enjoy. Karl looks forward to meeting old friends and greeting new ones at what will be a magical evening.

### Would you like to save money on heating oil?

Butler Fuels won the November order, negotiated with local suppliers by Warwickshire Community Oil Syndicate, and members saved a huge 7.49p per litre against the average market price and a massive 23p saving against the market high. What a result! Our members paid only 53.8pence per litre – what did your supplier charge? In addition, our LPG cylinder prices haven't risen for seven consecutive months whilst our LPG bulk is still being offered at 43p per litre, despite rises across the industry. As a charity that works exclusively in Warwickshire's rural communities, we are delighted with these results and hope you might be tempted to join us.
