July/August 2016

## Charlecote Celebrates The Queen's 90<sup>th</sup> Birthday

Nearly sixty residents of Charlecote, aged 1 to 95, celebrated Her Majesty The Queen's 90<sup>th</sup> Birthday in style in Charlecote's Village Hall on Saturday, 11 June, the celebrations coinciding with the "national" weekend of celebrations. All of the guests were welcomed with a glass of prosecco, and John Lampitt proposed the toast to Her Majesty - followed by a rousing chorus of "Happy Birthday". Fortunately the weather cleared in time for lunch in the garden - a delicious buffet prepared and served by Sue Lampitt, Vanessa Lewis, Suzanne Johns, Cathie Gilhooly, and Jill Wilson. Everyone was then thoroughly entertained all afternoon by John Penn and his musical friends. The 'Champagne Raffle' was won by Chris Johns.

## Hampton Lucy C of E Primary School and Nursery - Samba Workshop

Two of our Music Days have been dedicated to Samba Workshops in preparation for the children's performance at the Summer Fete on 25 June. Claire Honey from Warwickshire Music worked with all the classes with drums, other percussion instruments and whistles! The whole school took part in a performance at the end of the day. SA

## Hampton Lucy Neighbourhood Plan

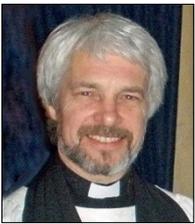

The development of the Hampton Lucy Neighbourhood Plan is progressing well and it is almost time to consult the local community. In order to do this effectively we will be delivering a questionnaire to every household and business, seeking everyone's views on their aspirations and on how the village can be protected in the future. We need help to do this and would be grateful for any assistance with delivery of the questionnaires and collection two weeks later. A short briefing meeting will be held in the village hall - look out for more details on the village notice board. If you are able to offer a few hours please ring Jackie, 01926 640286 or get in touch with any member of the Neighbourhood Plan Committee

JW

## Crafty Weekend Down at t' Mill - A Satisfied Customer

I took part in the Craft Experience Weekend at Charlecote Mill on 14/15 May and just wanted you all to know what a wonderful time was had by one and all. To be able to participate in these ancient crafts was a joy. The craftsmen were passionate about their individual skills and more than willing to share their knowledge - they were inspiring. Karl, thank you for hosting the weekend in this lovely setting and making it so enjoyable. The food was lovely and you thoughtfully catered for 'veggies' and those with lactose intolerance. Well done - can't wait for the 2017 event!

 Tel.: 01789 263435

Dear Friends,

A former Bishop of Coventry once talked about how during his mother's lifetime she had gone from seeing the milk delivered by a man with a churn on a cart pulled by a horse to seeing a man walking on the moon. That is an incredible rate of change.

Recent celebrations of the Queen's 90<sup>th</sup> birthday made me reflect on change during her lifetime. Not so much about change in general but change within the Church of which she is the Supreme Governor – the Church of England.

At the time of her birth the Church had been using the Book of Common Prayer for its services since 1662. Considerations of change may just have begun which led to the publication and use of the 1928 version. It was then not really until the 1960s with various attempts at more significant changes (Series 1, 2 and 3), leading to the Alternative Service Book in 1980 and then Common Worship in 2000 all in more contemporary language. Moreover, of course, there is scope these days for creating more flexible forms of service.

Also at the time of her birth, not only Bishops but all clergy would have been men. That stayed much the same for many years but, of course, in relatively recent years women have become, successively, deacons, priests and now Bishops. From the viewpoint of 2016 this may not seem radical but it is a big change to have made after hundreds of years.

And, of course, many Church buildings have been adapted, installing modern facilities and making them more flexible.

All this led me to think about the potential value of change. (I believe all these changes have been positive and important for the future of the Church.) But it also made me reflect that what has not changed is the basic requirements of life as a Christian: worshipping God and praying regularly; studying the Bible; loving all our neighbours; and standing up against injustice and evil. However much the externals may need to move with the passing of the years neither these nor God's love for each one of us ever change.

David Jessett

## News from the Parishes

*A complete list of church services, including those at Barford, Wasperton and Sherbourne, is displayed on the notice board in your church.*

## St Nicholas' Church Concerts - Loxley

The next concert in the series will be on Sunday, 17 July, at 3.00pm and will feature the Barker String Quartet with Archie Whitby (cello) and Gerry Hopkin (piano) in a delightful programme of varied and melodic pieces perfect for Sunday afternoon listening. Gerry Hopkin is Head of Chamber Music at Warwick School and the other musicians are pupils at that school, which is renowned for producing young musicians of a very high standard. The concert will last for about 45 minutes and afterwards refreshments will be available at "The Fox". Admission is free with a retiring collection for the Church Fabric Fund.

DW

## Carers4Carers

Carers4Carers is a support group based in Kineton for carers living in the village and surrounding community. It is well established and led by local volunteers who have a deep understanding of the many challenges faced by caring families. The monthly meetings provide an opportunity for carers to relax, share and acquire coping skills and strategies, and access a wide range of relevant information. The organisation supports former carers as well as those currently caring. If the person they care for can be brought to the hall, they will be looked after in the Companionship Group for the duration of the meeting, but this needs to be booked in advance. The next meeting will be on Friday, 22 July, 10.30am to 12 noon, in Kineton Village Hall. The group is looking to engage an Assistant Part-time Co-ordinator who can relate to those with caring responsibilities. We are looking for a friendly and outgoing person with the ability to be an effective team player and who also has a real understanding of carers' issues, preferably with carer experience. This part-time position will initially be for approximately three hours a month. For more information about this opportunity or anything to do with the group, please phone 01926 640203 or 07947 893504. E-mail [kcarers4carers@gmail.com](mailto:kcarers4carers@gmail.com).

## Charlecote Park News

We're currently working with Charlecote Parish Meeting and Warwickshire Highways to make improvements to the highway and verges throughout the village. As part of this work, a number of bollards will be installed at key points throughout the village to prevent illegal parking. These will be designed by The Cleft Oak Company who also designed and installed our distinctive oak paling fencing. June brought the big summer change-over for the parterre with the summer bedding planted out and the hedges trimmed. It's always good to see how quickly these fill out by early July and bring so much colour to this part of the gardens, as well as the delicious scent from the heliotropes. West Park remains closed until around the end of July when the fallow deer fawns will have all been born. Take a walk through the parkland when that area re-opens and see if you can spot them. In the Orangery, as part of the

*Photo: Jana Eastwood*

'Capability Brown 300' celebrations this year, we have exhibitions by the members of three local Embroiderers' Guilds. Their embroidery is based on scenes around Charlecote. At the moment, we're featuring the talents of the Leamington Spa Guild and a visit to see their work is well worthwhile. We're now putting the finishing touches to the activities at the Children's Club - every Thursday in August - and it would be lovely to see lots of our local families coming together for these events. Remember that all children must be accompanied by an adult. Look out on the website nearer the time for more details. **MG**

## Wellesbourne & District Lions Club

I can't believe it's July already. Sunday, 24 July, is Raft Race day and I hope as many people as possible will come along and watch this great spectacle. This year it celebrates its **40th Anniversary**. A huge variety of rafts will be setting off from Wasperton from 9.00am onwards, passing through Hampton Lucy, Charlecote Park, Alveston, and Tiddington, finishing opposite the RSC theatre in Stratford-upon-Avon. A great viewing point is from the permissive footpath in the water meadow in Hampton Lucy near to Charlecote Mill, where the rafters have to negotiate one of the weirs! Park in the village and look for the footpath sign by the old John Lucy Bridge. It's not too late to enter a raft and if you want to take part, please visit the website [www.rafrace.org.uk](http://www.rafrace.org.uk) to find out more information. This year our main beneficiary is 'Heart of England Mencap' based in Clifford Chambers, Stratford-upon-Avon, and with your generous help we are aiming to raise over £10,000 to help to fund a fully accessible biking facility for people with both learning and physical disabilities. It is the school and village fete season again. The Lions will have a stall at Barford School Fete on Saturday, 9 July, and at Wellesbourne School on Saturday, 16 July. Please come along and say "Hello". **AS**

*The Friends of Hampton Lucy C of E Primary School showing how it's done - Lions Club Raft Race - June 2012.  
...something to do with Malibou, I seem to remember!*

## Hampton Lucy and Charlecote WI

The members were in charge for the June Meeting, enabling the Committee to take a back seat. The chair was taken by Margaret Buckingham, with Suzanne Johns as Secretary, and Beryl Penn as Treasurer. The routine business was efficiently completed, followed by a toast to Her Majesty The Queen in recognition of her 90<sup>th</sup> birthday. The speaker, Gill Dancer - a very talented member of Hampton Lucy and Charlecote WI - demonstrated her skill in making cold-porcelain flowers. In less than an hour she produced a periwinkle spray with the petals beautifully painted in lilac and bright lemon centres. The process can be used in so many ways - cake decorations, button holes or simply for decoration. The evening concluded with a lovely buffet supper. The subject of the July meeting on Wednesday, 6 July at 7.30pm at Charlecote Village Hall, will be the History of the Warwickshire Federation, which celebrates its Centenary in 2018, told by WI Advisor Sue Ensor. She is also a member of the WFWI Creative Committee and member of the NFWI Craft Committee. **KCI**

## Lucy Lads Visit Forge Mill

On Thursday, 2 June, **The Lucy Lads** visited Bordesley Abbey and Forge Mill, the adjacent needle scouring watermill, both situated in a rural location just outside Redditch. After a welcoming cuppa and cakes, our very knowledgeable guide gave us a conducted tour of the remains of the Cistercian Abbey, a site which has been extensively excavated and researched by archaeologists over the past 140 years.

Evidence and records show that the original buildings date back to 1140AD and the remains show a clear demarcation between the early Norman and later mediaeval architecture. The abbey was dissolved by Henry VIII in the 16<sup>th</sup> C and the buildings have since been extensively 'robbed out' for their stone and tiles. Now only floors, foundations and a few standing walls remain. None-the-less there is much to see and the nearby museum gives an excellent insight into the history of the ancient abbey and its estates. After a well-earned lunch **The Lads** were then shown around the needle scouring mill and museum next door. Redditch produced 20 million needles a week in its Victorian heyday! - and still produces them today although in much reduced quantities. Many of those needles were finished and polished at this mill

by an ingenious mass production process using only water power. Our guide gave us a fascinating and detailed explanation of the whole needle manufacturing process, much of which was done by outworkers in their own back rooms - sending their products to this mill for finishing and packing. The waterwheel and wonderful old machinery was operated for us to demonstrate how it was all done. It was an excellent visit and thoroughly recommended - for adults and children alike. (For more information about **The Lucy Lads** visit the Hampton Lucy website.)

*The wrought iron waterwheel - generating 25 horse power!*

AJW

## Celebrating Hampton Lucy's Heritage

Over the last eleven years, residents of Hampton Lucy have initiated two very different features of the village - the Charles Maries Trail and The Spinney. As a young man, Charles Maries attended Hampton Lucy Grammar School, and it was there that he was inspired by the Headmaster to become interested in botany. He later travelled abroad, collecting plant specimens which were previously unknown in Europe. The Trail contains specimens of some of those plants from China and Japan and was established as a tribute to him. We intend to celebrate this on Sunday, 17 July, at 2.30pm in the Village Hall, when there will be short introductory talks together with an exhibition and tours of the trail. Members of the Maries family will be in attendance to celebrate their historic link with our village. Everyone - residents and visitors - will be most welcome. Hampton Lucy Spinney will also be featured - a very different venture. Previously land used as allotments, it was planted with native trees with a mown path through, allowing everyone to enjoy the seclusion and appreciate the bio-diversity which is developing as it matures. A plaque will be placed there in memory of Dr Alan Scaife who was the inspiration and driving force behind it. The afternoon will be rounded off by afternoon tea in the Village Hall from 4.00pm. Everyone will be welcome and a particular invitation goes out to the new residents of the village.

HD

## 'VEG' (Hampton Lucy Village Enhancement Group)

VEG is an enthusiastic group of Hampton Lucy volunteers. It is partly grant-aided by the Hampton Lucy Parish Council and amongst its many activities are bulb planting, litter picking, planting and maintenance of the flower beds and troughs, planting of the Scots pines in the Parish Field, and even cleaning up the cast iron John Lucy Bridge over the Avon. In 2009 they provided the 'finger' signpost and finial, pictured, which is situated at the corner of Bridge Street and Church Street. In 2005/6 VEG set up the Charles Maries Trail, see above, and continues to support it both practically and financially. They would like to encourage more residents to join the group. If you are interested just contact Hilary Dunkerton on [hilliesmith@yahoo.co.uk](mailto:hilliesmith@yahoo.co.uk) The commitment is simply the time that you can spare and you will always be most welcome. HD

- Mon 29 **Charlecote Mill - Bank Holiday Open Day**, 11.00am to 5.00pm. Additional attractions.

### Editor's Notes

I'm a little embarrassed that this issue is top-heavy with Hampton Lucy news but can only publish what is sent in. If news and reports aren't received there is little I can do to redress that balance. Please try to respect the copy deadline which is published each month. It makes life quite trying to have to completely reformat the newsletter in order to fit in late copy. I would also appreciate fully written copy, not a brief list of details for me to work up to a readable piece. With regard to dates and advance notice of meetings etc, please send only current dates appropriate to the next issue. Lists of dates 12 months ahead are not practical. Dates can change and errors creep in all too easily, with embarrassment all round.

If you have suggestions for improving *The Grapevine* do let me know. I try to keep an open mind on content and editing and aim to make the newsletter as informative and interesting as possible, but suggestions and contributions are always welcome.

A huge "thank you" must go to all those who help with producing, proof reading, sorting and delivering *The Grapevine* each month. There are too many names to mention but it wouldn't happen without you all, so many, many thanks.

Have a great summer and ***The Grapevine*** will be back in print for September.
